Who is God

God is like a rock,
a rock that is strong
and a rock that doesn’t break.

God is like a sun,
a sun that shines bright
and its light will guide.

God is like a tree,
he is the trunk of
many leaves.

God is like a shepherd,
a shepherd that looks
after many sheep.

God shines bright and
leads the way to us,
He is a trunk that looks after us,
the leaves,
God is our shepherd and
we are his sheep.
