ASSESSMENT: Missions (Catholic Identity)

**Main idea:** The people who serve as missionaries, live the Eucharist by the way they love and serve Jesus, through those in need.

**The children during this unit will:**

- Learn about the different ways missionaries serve Jesus locally and globally.
- Identify how as Confirmed Catholics, we have a responsibility to live out the example of Jesus by using the Gifts and Fruits of the Holy Spirit.

**Things your child will learn:**

- People who work in the missions show love to others, just like Jesus loves us.
- Everyone in our world is made in God’s image. We need to respect others and share what we have.
- As Confirmed Catholics, we have a responsibility to live out the Mass. (The Mass never ends, it must be lived)
- There are many ways that we can be missionaries in our lives by using our skills and talents.

**Things your child will do to show what they have learnt:**

- Investigate and identify examples of people carrying out Jesus’ mission locally and globally.
- Reflect upon their own commitment to Jesus and how as Confirmed Catholics, they can serve others throughout their lives.
