

# **POLICY REVIEW**

## **SCHEDULE**

### **Rationale:**

- At Cana Catholic Primary School, Policy provision has a direct impact on student learning and in preparing the individual student to successfully participate in society. Policy review ensures that teaching and learning is relevant and reflects current thinking and best practices. Policy review is a systematic process which is designed to provide appropriate renewal of Policies.

### **Aims:**

- To enable staff participation in the development, implementation and review Policy change.
- To provide current, relevant and rich teaching and learning programs and practices.

### **Implementation:**

- The principal is responsible for the implementation of the review and renewal process
- The Policy Review Schedule details the planned schedule of Policy review.
- All Policy areas are included in the schedule on a cyclical basis
- Staff professional development is provided to facilitate effective review, introduction and implementation of Policy change.
- Staff meet on a planned regular basis (inclusive of staff meetings, professional learning team meetings and school closure days) to audit and review Policies
