Nude Food Day Every Monday at Cana

Dear Parents, Guardians and Students,

We have been seeing a problem around the school grounds, so this is an initiative to fix this. Our intention is to educate students to think about the amount of packaging they bring to school each day, and the impact this has on our environment.

The food packaging is part of a bigger problem. For example, each food package starts from home, comes to school, ends up on our grounds, then washes into our drains and waterways. All this leads to it ending up on our beaches and oceans, causing the death of aquatic life. We need to change.

Starting next week (Monday 3rd May), each Monday after that will be a Nude Food Day. This is a day where we highly encourage students to have a lunchbox free of food wrappers, such as chip packaging, glad wrap or aluminium foil. You must carry your food in reusable containers and packaging that **can't** be thrown away.

If in the event that a student brings any food wrappers, it is compulsory that they leave the used wrappers inside their lunchbox, to be thrown away when the student comes home.

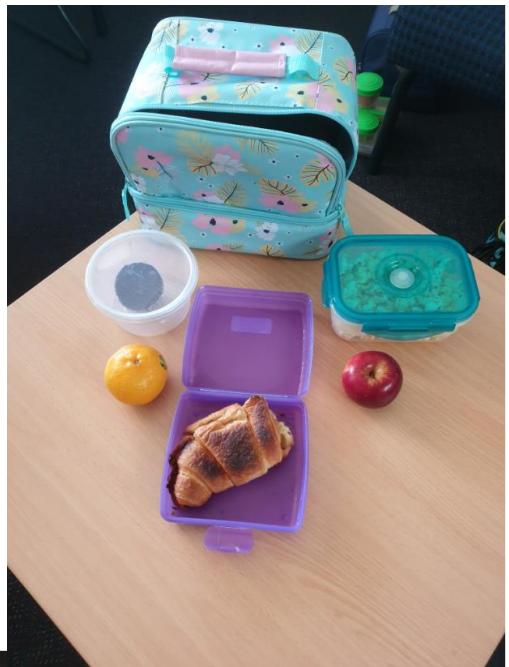

Even so, we still would definitely want all students to have rubbish free lunch boxes to help the environment here at Cana.

It starts with us!!!

Yours truly,

The Cana School Leaders
(Xander, Michael, Mikayla, Lily)

These

Are

Some

Examples

OFF-Site Parking Responsibilities

We have been inundated with complaints about our families disregarding driving compliance condition and disrespecting road rules. Please ensure that you adhere to the following road rules:

- **Do Not** block or park in neighbouring driveways
- **Do Not** double park. Even if it is for a few seconds.
- Only those persons with **DISABLED stickers** are permitted to park in the disabled parking bays at front of school.
- **Do Not** park on people's nature strips.

On-Site Parking Responsibilities

- **CAR PARK GATES:** The entrance to the school car park is the gate at the front of the school. The back car park gate is an **EXIT ONLY**.
- **REVERSE PARKING AT ALL TIMES:** To ensure a smooth exit during pickup times, please reverse into the parking spaces in our car parks rather than driving in forwards.
- **DRIVEWAYS MUST REMAIN CLEAR AT ALL TIMES:** Please do not park in the driveway while the gates are closed as doing so blocks OshClub employees from entering the school.
- **NO CHILD MAY WALK TO CARS (At the Basketball Courts) ALONE.**
- **A 5 km/h SPEED LIMIT APPLIES IN THE CAR PARK.**
- **PLEASE DO NOT ENTER THE SCHOOL BEFORE 3PM.** (Sometimes visitors or staff may need to enter or leave the school earlier than 3PM but this does not permit anyone else to enter the school earlier than 3PM, other than OSHClub staff).

School Ground Responsibilities

Please use appropriate walkway to drop off or collect your children from classrooms. The **front of the school is not a walk way to the Prep building**. This is an unsafe and unsupervised area.

Access to this area of the school is only permitted while students are dropping off or collecting their bikes for travel to and from the school.

Library Borrowing is Back! (For one day per week)

This week children across the school began to borrow directly from the library. Students in grades prep, 1, 2, 5 and 6 will be able to borrow on Tuesdays, and students in grades 3 and 4 will be able to borrow on Fridays.

Children can return their library books on the same day that they will be able to borrow. They will be encouraged to borrow 2 books each week IF they have a library bag and have returned any books they have previously borrowed.

Skoolbag is our new digital platform: All absentee/late notifications are to be submitted via the Skoolbag app.

CRCNK and CRCCS 2022/2023 Enrolments

Please note that until further notice, you will not require Father Maurie to sign your child's application to CRCNK or CRCCS.

Camps Sports and Excursion Fund Applications

The Camps, Sports and Excursions Fund (CSEF) provides financial support to eligible families so students can attend school camps, outdoor education and sporting programs, as well as incursions and excursions. If you have not applied for CSEF and hold a currently valid Healthcare Card, or if you have an existing card and a new child is joining Cana, please fill out the CSEF form below and email it along with a scan of your card to Mrs Trudy Milligan at tmilligan@canahillside.catholic.edu.au.

PARISH UPDATE 58

Hello everyone!

During this week the Archbishop convened a very significant meeting that radically affects the years ahead for the Catholic Church in Melbourne. This first meeting was a gathering with the Priests of the Archdiocese. Similar meetings will be convened for Parishioners during the next few months.

The Archbishop has taken the decision that a reorganisation of the structures and the resources of the Archdiocese must be undertaken, brought about by the declining number of Priests available for Parish ministry. A simple statistic is that this year five men entered the seminary for their formation for priesthood and there are twelve Parishes whose Parish Priest will be retiring this year. This is the pattern both for each year of the seminary process and for the ageing of Priests.

Quotes from the meeting: “there are no indications that trends will be reversed”; “we must look to new ways of thinking”; “our current structures are unsustainable”; “there is a feeling of urgency to bring forth change”; “the way of the Gospel was from the very beginning a changing of arrangements to engage with changing circumstances”.

The Archbishop outlined a broad picture where the current 210 Parishes in the Archdiocese will be reorganised into 50 or 60 ‘Missions’, each ‘Mission’ being served by two (and sometimes more) Priests. An example that was given – emphasised as not being definitive - was that the Parishes of Ascot Vale, Essendon, Essendon West, Moonee Ponds, Strathmore could become one of these ‘Missions’. The Archbishop liked the phrase ‘family of Parishes’.

A timeline was outlined. Following this meeting of Priests, there will now be a similar meeting of representatives from all Parishes, information communicated to the wider Catholic community, and gatherings in the four Regions of the Archdiocese whose task will be to identify 3 to 5 ‘Missions’ in each Region. (Our Parish is in the Western Region.) Further work will be undertaken so that all ‘Missions’ will be identified by mid-2022. The overall reorganisation will be implemented within three years.

Some very large Parishes – such as Werribee – may become a ‘Mission’ themselves. Smaller Parishes will likely be part of reorganisation into a ‘family of Parishes’. Parish boundaries may change.

Some will recall that thirty years ago the Archdiocese embarked on several processes in response to the fact that circumstances were changing. Some may have participated in the RENEW process in which large numbers of Parishioners participated in reflection and formation processes to grow the active co-responsibility of Parishioners in order to ensure and grow vibrant Parish life. Some may recall the ‘Tomorrow’s Church’ process which was driven by the question ‘How can we be the Church well in the years that lie ahead?’ This led to some amalgamation and partnering of Parishes in a planned way with substantial formation provided for the Parishes involved, and the ‘pilot project’ of a lay-person Parish Leader appointed to a Parish by the then Archbishop, who had support from a neighbouring Parish Priest.

A number of participants at this week's meeting expressed regret that those plans and processes were stopped.

We are a large Parish. The example above of five Parishes becoming a 'Mission' may not be applied to us. We should be aware, however, of what will be happening around us, that this will impact on us, and that a different type of 'Mission' may be applied to us.

We will participate in all the processes that are being started.

In our Parish during the week, we have at last 'caught up with' the postponements of Sacraments with our young Parishioners' which had been caused by COVID lockdowns last year. Young Parishioners at our Cano School celebrated the Sacrament of Reconciliation for the first time.

Next week we enter the next round of Sacraments. Our young Parishioners our Sacred Heart School will share in the Sacrament of Confirmation. Once again the Archbishop has delegated his role to Parish Priests. This is because we are still limited to having 190 people in our churches, and that means that we will need ten separate gatherings.

Give a place in your prayer this week to these young Parishioners and their families. May their experiences of the Sacraments of our Church reassure them of the love of God active in their lives and of the support of their Church community.

Best wishes to all! As we continue in Easter season, don't let that renewal slip away – blessings for continuing 'Easter-ing'!

Prayer of St Francis 'Make me a channel of your peace!'

Maurie Cooney

2021 Year of Respect

"In everything, do to others as you would have them do to you." (Matthew 7:12)

Collection Notice for parents/guardians

2021 Student Residential Address and Other Information

The Australian Government Department of Education, Skills and Employment (the department) would like to advise you that a request has been made for your child's school to provide residential address and other information as required under the *Australian Education Regulation 2013* (Cth).

The school is required to provide the department with the following information about each student at the school:

- Names and residential addresses of students' parent(s) and/or guardian(s)
- Student residential address (excluding student names)
- Whether the student is a primary or secondary student (education level)
- Whether the student is boarding or a day student (boarding status).

Your child's school generates a unique and unidentifiable record number for each student record. The number is only used by the school for this collection. It is not allowed to be used for any other purpose. The number indicates to the department that each record provided is for one student.

Purpose of the collection

The Student Residential Address and Other Information Collection (the Collection) informs Australian Government school education policy and helps ensure funding for non-government schools is based on need.

The information collected will be used to inform school funding calculations. It is combined with data held by the Australian Bureau of Statistics (ABS) to calculate a non-government school community's anticipated capacity to contribute to the costs of schooling.

From 2020, a new measure of capacity to contribute, the Direct Measure of Income (DMI), was introduced. The DMI is based on the median income of parents or guardians of students at a non-government school using data collected through the Collection. More information about the DMI can be found at <https://www.education.gov.au/what-direct-measure-income>.

Use and disclosure of personal information

Your personal information is protected by law under the *Privacy Act 1988* (Cth) (Privacy Act). Personal information is information or an opinion about an identifiable individual. Personal information includes an individual's name and contact details.

Any use or disclosure of your personal information must occur in accordance with Privacy Act and the *Australian Education Act 2013* and *Australian Education Regulation 2013*.

Your personal information provided to the department through the Collection may be:

- disclosed to the ABS for the purposes of capacity to contribute calculations and analysis as a part of the Multi-Agency Data Integration Project (MADIP). Further information about MADIP can be found on the [MADIP page](#) on the ABS website.
- disclosed to a contracted auditor where the department may from time to time, carry out an audit of a school's submission to the Collection. The contracted auditor compares the school's submission with the student enrolment information held by the school and will not use the information for any other purpose
- disclosed to its service providers for the purposes of the provision of information and communications technology support services to the department
- used or disclosed where it is otherwise required or authorised by law.

The department does not intend to disclose your personal information to any overseas recipients.

The department's privacy policy can be found at www.dese.gov.au and includes information on:

- how individuals can access and seek correction of the personal information held by the department;
- how complaints about potential breaches or breaches of the Privacy Act can be made;
- how the department will deal with these complaints.

The department commissioned an independent privacy impact assessment (PIA). The PIA assesses the flows of information under the Collection, compliance with the Privacy Act and measures in place to safeguard the personal information being collected. The report is being updated, and will be available in 2021 on the [SchoolsHUB Address Collection help and support page](#). The current version is available at <https://docs.education.gov.au/node/51436>.

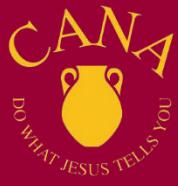

What do you need to do?

You are not required to do anything. Your school is responsible for providing the requested details to the department; however, you may wish to ensure that your school has the most up-to-date and correct details for your family.

Contacts for further information

Your school can provide additional information about the Collection process.
