*On this day of solemn remembrance of 9/11 – 20 years on:
May we honor the lives that were lost in this tragic act.
May we give thanks for those who served and saved, rendered aid
and assistance.
May we give comfort to those who live with loss.
May we seek justice and peace where it is within our ability,
and rely on you when the ability escapes us.
May we build what has been torn down.
May we mend what has been broken.
May we live your love when hate seems to reign.
May we bear witness to the cause of peace.

Changes to School Events

Dear Parents,

With COVID restrictions still in place, we have had to make further changes to our event dates and plans. We will keep you updated with changes. Classroom teachers will remain your best contacts if you have concerns.

I will be on personal leave for the rest of the term. Mrs Lina Vermeulen

(lvermeulen@canahillside.catholic.edu.au) will be acting Principal

and Mrs Michelle Cassar (mcassar@canahillside.catholic.edu.au) will be acting Deputy Principal/REC/Wellbeing during this time.

No Google Meets on Fridays

Dear Cana Families,

The announcement of an extended lockdown on Monday has left many of us feeling s-t-r-e-t-c-h-e-d at times, and fading in energy. Despite this, our Cana families and staff have remained strong and resilient, and I thank you all for doing your part to support the wellbeing and learning of our students.

On Fridays

Teachers will require time to plan classwork with their colleagues. As such, there will be **no** Google Meets with the classroom teacher, and teachers will not be available to spend time with their students. Your child/ren will be sent a learning grid on Thursday evening with the work students should complete. This may include LSO sessions.

This will be the arrangement for each Friday until we return to onsite learning. I'm sure you can appreciate teachers require professional preparation time for lessons delivered.

Onsite arrangements remain available for 'essential workers' only.

Authorised worker permits are required for all families attending on-site supervision.

Specialist sessions will continue on these days:

Monday Sport

Tuesday Italian

Wednesday Art

Thursday STEM

If you have any questions, please continue to email your child's classroom teacher as your first point of reference.

I pray that God may grant us all patience and hope for the remainder of this lockdown, and ask that He watch over everyone who is struggling during this period.

Sincerely,

Carmen Blatti

Covid Testing Information

Dear Cana Families,

This is an important message for families with students currently on site, and for all families once on site learning begins again. Please note that if any person living with the child/ren attending Cana are waiting for COVID test results, your **child/ren CANNOT attend** Cana for onsite learning until the results come back negative. This is to prevent Cana from having to close down in the event that a result returns positive.

Thank you for your understanding and for abiding by the current COVID guidelines.

DO NOT COME TO SCHOOL WHEN SICK

Another reminder to families that children **ARE NOT** to be brought to school if they are unwell or showing **ANY COVID** like symptoms. If they are brought to school, we will need to send them home. **DO NOT** tell your children to '*see how they go*', if they are unwell.

Face Masks

As directed by the Victorian Chief Health Officer:

- It is recommended that children under 12 years of age and students at primary school wear face masks when at school, or when attending an OHSC program.
- For communication purposes, teachers and education support staff are not required to wear face masks while teaching, but it is recommended that face masks be worn while teaching wherever practicable.

A **face mask must cover the nose and mouth**. Face shields, scarves or bandanas do not meet these requirements.

Re-Enrolment Forms

Last week, all families were emailed re-enrolment forms for each child attending Cana next year. These forms are **due Friday 10th September**.

School Uniform

It has been noted that some students have been wearing clothes that are not a part of our school uniform i.e. hoodies. Please make sure that your children come to school each day wearing their correct school uniform proudly.

How to support your child's mental health through the pandemic

The COVID-19 pandemic has challenged all of us, including our kids. So, we want to help! Our Facebook Live session on Wednesday 25 August 2021 brought together an expert panel to discuss this important topic, with lots of practical advice, and you can watch the replay here.

NAPLAN Results

Grade 3 and Grade 5 NAPLAN results will be emailed to families over the next week. Once students return to onsite learning, the original copies of their results will be sent home too.

School Fees DUE Friday 17th September

All school fees are due on the last day of term (Friday 17th September). Reminder notices are being sent to all families with a balance remaining. If you have not yet paid your fees, please ensure to finalise your account by the due date.

Given the current COVID environment, Cana will not be accepting cash payments of school fees. If you wish to make a cash payment, please deposit it directly to you bank, and not the front office. Please ensure that you have labelled the payment clearly with:

- Family ID number
- Family surname
- School account details: BSB: 083 347 and Account: 563 101 059

Chocolate Money

Any families who have not yet returned their chocolate fundraising money can do so on the first day children return to onsite learning.

Cana School Crossing Lady Rita Leaving

Our Crossing Lady, Rita, will be leaving Cana on the last day of Term 3. We thank her for the 13 years of service as Cana's safety crossing lady, and wish her well in her retirement.

PARISH UPDATE 77

Greetings everyone!

*“The current COVID lockdown means that **our churches will remain closed** for the duration of the lockdown – until Friday 24th September. The exception is for funerals, with ten ‘mourners’ permitted. There will be no other activity in our churches over that time. See attachment for information for accessing Mass on TV and online.”*

This weekend marks ‘Child Safeguarding Sunday’. Our Parish’s policy statement in this regard is:

CHILD SAFETY POLICY

Sacred Heart/Emmaus Parish is committed to the care, wellbeing and protection of children, young people and people at risk in our community. The Parish takes a zero-tolerance approach to child abuse and upholds that child protection and the dignity of every person is the responsibility of every adult.

This policy statement is on the noticeboards of our churches and on our Parish newsheet and website. I indicate later in this letter that everyone participating in any Ministry in Parishes is expected to sign a ‘code of conduct’ in line with this policy.

We have all become aware over recent years of the abuse of children and young people. As a Priest, I apologise deeply to victims, their families and friends, and to the community, for the damage and loss of life that has been caused by Priests and by our system. May something of the hopeful Spirit of God be able to enter your lives.

Child Safeguarding Sunday recognises that there are risks to our children and young persons’ safety and wellbeing in all organisations. There are Commonwealth and State laws, directives, regulations in place to ensure the best opportunities for our children and young people to grow and develop without anxiety, fear and harm. The Archdiocese of Melbourne has established its Professional Standards Unit. All Parishes are instructed by the Archdiocese and are bound by law to comply with regulations.

One aspect is the ‘Self-Assessment Tool’ by which Parishes will be audited for compliance by external bodies. As well as risks of personal abuse, risks and safety compliance with property regulations are included.

Access to ways of reporting potential and actual abuse are to be available to all. If you have concerns about a matter of potential or actual instances of safety and wellbeing of children and young people, contact Mobile: 0413 841 936 or Email: stalbans.csc@cam.org.au – these are separate from the Parish Office. Matters referred to these contacts must, by law, be forwarded within 48 hours to the Professional Standards Unit.

An example of a change for our Parish is that there are to be separate spaces provided where Altar Servers prepare before Mass apart from the space where Priest, Sacristan, Readers prepare before Mass.

A regulation of the Archdiocese is that everyone participating in Ministry in Parishes is to have a Working With Children Permit. This applies to *every* person in *every* Ministry – there are no exceptions. On this Child Safeguarding weekend, our Parish is re-establishing our records in relation to all our Ministry areas. This is an opportunity to build up our Ministry Teams for the time when we are permitted to engage with one another again, in our churches and in

engagement with one another in Ministry. Many will remember ‘Ministry Month’ – this is our ‘lockdown version’ – recruiting Parishioners to our Ministry Teams, and including this new element of Child Safeguarding.

‘Ministry’ expresses that it is ‘we the people’ who give life to our Parish.

‘Ministry’ is our involvement together in the mission of the Church – “to carry forward the work of Christ”.

Your participation in ‘Ministry’ gives life to the gospel of Jesus – being lived in action!

Attached with this Letter is an invitation to participate in Ministry in our Parish. It includes a list of the Ministry areas in our Parish, and details of how to apply a Working With Children Permit. Some Parishioners have previously forwarded a copy of their Permit to the Parish Office: please complete the attached form to indicate this.

This invitation is to Parishioners who have already been participating in Ministry and also to those who would like to commence in a Ministry role.

In the 'how to' process, you are asked to indicate which Ministry area/s you are offering to participate in. There are also details for applying for a Working With Children Check. When you have received your Working With Children Permit+++, send a copy to the Parish Office. Then you will be sent a 'Code of Conduct' to read and then send a signed copy to the Parish Office.

When we are permitted to engage in our Ministry areas, we will gather our Parishioners who have completed this process, and offer some formation for each Ministry, and establish arrangements for re-commencement.

I hope that everyone involved in Ministry before these COVID lockdowns will re-emerge through this process, indicating that you will continue when that is allowed. I hope that others will take this opportunity to join Ministry, too.

Even as springtime continues to show signs of breaking through, we continue to experience that life isn't as we want it to be. I draw to your attention again the services of CatholicCare that may be of assistance:

IS IT GETTING TOO MUCH? CATHOLIC CARE MAY HELP TO SUPPORT YOU

Many families and individuals are dealing with the effects the COVID-19 pandemic has had on our community.

Some have lost jobs and are in financial crisis. Others are experiencing increased anxiety and depression due to social isolation. Meanwhile, couples and families may continue to face relationship issues from prolonged lockdown. CatholicCare Victoria is here to help.

Visit <https://www.catholiccarevic.org.au/page/159/covid-19-updates> or contact the head office directly on

(03) 5337 8999 where you can be referred to the relevant branch or team.

This week's Gospel speaks of 'taking up your cross'. We need help for that, and our call as 'disciples' is to help others in that journey, too. Another attachment with this letter reflects this relationship of being disciples of Christ that we are called to.

Keep on keeping on: blessings and prayers for that!

Safeguarding Sunday –September 12, 2021

This weekend, the Catholic Church in Australia marks Safeguarding Sunday.

The Catholic Archdiocese of Melbourne and Sacred Heart/Emmaus Parish are committed to the care, wellbeing and protection of children, young people and people at risk in our community. Safeguarding and the dignity of every person is the responsibility of every adult.

A significant impact of COVID lockdowns for the Sacred Heart/Emmaus Parish has been that we have had to limit severely all our Ministry activity.

When restrictions begin to ease we will be in a position to reassemble our various ministry groups. That will be the opportunity to re-engage with our community in those well-established 'tried and true' ways, to re-form our groups and invite new participation, and to offer 'formation for ministry' as a refresher or an introduction.

To get ready for that, there are some administrative details that we can prepare. It is the policy of the Catholic Archdiocese of Melbourne that *everyone* in *every* Ministry within each Parish must hold a valid Working With Children Check (WWCC).

I invite all who have previously been involved in Ministry and also those who wish to participate for the first time to build up this aspect of our Parish's life again!

There is a list of our Ministry areas on the next page.

To ensure that all involved in Ministries have complied with the requirement for holding a Working With Children Card, please complete the information on the attached form and send it to the Parish Office: this will indicate your choice for participation in Ministry.

If you have a WWCC already, include a copy of that.

If you do not have a WWCC, the procedures for acquiring one are on a following page. When a Card is sent to you, forward a copy to the Parish Office.

Two Hands of God

In these columns, I have often spoken about all of us, as Christians, being called to be missionary disciples. It is a strange combination of words to describe each of us. Most Christians, I think, would not consider themselves as missionaries, although I hope that all readers of *The Far East* magazine do think of themselves as sharing in the mission of God. If you do not, I am not doing my job!

What about the word 'disciple'. In the Gospels, Jesus has disciples. In his time most rabbis had disciples. They followed the rabbi around the country, sharing his life. They heard him preach and learnt how he lived. This was true also for Jesus' disciples. When we say we are disciples of Jesus, we are expressing our desire to follow him, to imitate him and to live like he did. It is more than just learning his philosophy or studying his commandments. It is a whole way of life.

A major problem for a lot of us Catholics is that we learnt quite a bit about Jesus when we were in school, but after that not much more. Most of us ended up with a religion that was about being good or bad. We were good because we went to Mass on Sunday and did all the right things, or we had sins that we had not confessed and therefore we were bad.

If we had three years of moving around with Jesus, we would have learnt a lot more than just the rules. We would have learnt that his message is about God's love for us. It is a message about mercy and compassion. There is more to being a disciple than what an adolescent can absorb about the rules.

How to follow Jesus today? We may have the desire to follow Jesus and we may read the Gospels. This is a good first step. One sound lesson we can learn from the Gospels is that if we fall or if we are not perfect, it does not seem to matter too much. Look at Peter and the rest of the disciples. They failed Jesus, but he still forgave them. Jesus is still forgiving each one of us today.

Another part of being a disciple of Jesus is to follow the promptings that the Holy Spirit gives us. A famous French Jesuit priest said there are two hands of God. One works on the inside of us and the other on the outside. When someone is using clay to make a jar, they need to use both hands. One to shape the outside and the other the inside.

A major problem for a lot of us Catholics is that we learnt quite a bit about Jesus when we were in school, but after that not much more.

Fr Teilhard de Chardin SJ said that God works the same way with us. God works on the outside through what we often call providence. I might be thinking that I need to meet someone and then I walk into the room and there they are. Sometimes people call it chance or serendipity, but whatever it is called, Christians can see in these occasions the hand of God.

As for the inside, have you noticed how some idea that you may have read keeps appearing time after time. You may see something on TV, and feel unusually moved by it. God works through our thoughts, our feelings, our imagination and our intuition. This is the second hand of God. As *Ephesians 2:10* says, "We are God's work of art".

The beauty of this understanding of being a disciple is that we come to realise that at every moment of our lives we are being transformed, shaped and led by God. We are truly followers of Christ. We are truly missionary disciples.

How to follow Jesus today? We may have the desire to follow Jesus and we may read the Gospels. This is a good first step. One sound lesson we can learn from the Gospels is that if we fall or if we are not perfect, it does not seem to matter too much.
