Our 2022 Mary MacKillop Group Leaders are:

Victoria Panayi

My name is Victoria Panayi and I have been chosen to be one of the leaders of the Mary Mackillop group. I joined the Mary MacKillop group when I was in grade three and since then enjoyed helping others around the school. Our goal this year is to help everyone at our school and make our school a safe and happy place. I follow one of Mary Mackillop's famous sayings: *"Never see a need without doing something about it"*.

Savannah Friggieri

My name is Savannah Friggieri and I am the Mary Mackillop leader for 2022. I joined the Mary MacKillop group when I was in grade three and wanted to be just like Mary caring for the people around her. As a leader of the Mary Mackillop group I will be a role model for the younger students at Cana by making better choices with my actions and words. My goal this year as a leader is to help others just like Mary Mackillop **"Find happiness in making others happy"**.

Emilia Raunik

My name is Emilia Raunik and I am the Mary Mackillop leader for 2022. I joined the Mary MacKillop group when I was in grade three and had never regretted it once! I believe this group is a huge part of my life and that I will always follow the saying **"Whatever troubles may be before you, accept them bravely."** Mary Mackillop is a wonderful role model for me and I want to be someone like her when I am older. Just like she did, I will always try to show honesty, fairness and caring throughout this year and the rest of my life. I promise to my whole school that we will work together and try our best to support each other and help one another through struggles.

Construction Works at Cana

Yay! The community of Cana are so excited to have construction begin this week. We are very fortunate to see that three wonderful play grounds have started works. These diagrams were in previous newsletters, which we will keep you up to date with photos as construction develops along.

The students have been very vigilant and keeping within the boundaries of the fences. I need to commend all students in understanding the safety aspect of these fences at all times.

One of the photos shows the excitement of two Grade 6 girls that were intrigued and cannot wait to trial the Ninja Warrior course when completed.
