We thank you for our classmates, teachers, parents and a community that cares for us.
May we always be conscious of you in our lives.

Wonder Recycling Rewards Campaign

Our school will be participating in the Wonder Recycling Rewards campaign. Students can bring empty bread bags (any brand) to school and place them in one of the bread bag bins. The bread bag bins are located in each building. Please ensure that the bread bags are empty (including no crumbs). These will then be recycled and in return we will collect points to redeem sports equipment.

Our school* is taking part in the Wonder Recycling Rewards campaign this term.

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school* with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school* earns!

Collections close 9th September.

Tip for collecting:

Use one empty bread bag to collect a bunch of other bags.

Did you know?

We can now collect our bread bags over the holidays!

BRING IN YOUR BAGS BEFORE SEPT 9TH!

* Includes early learning centres and pre-schools.

Tag @wonder.australia #wonderrecyclingrewards to share all your recycling champion stories!

Parents/Families,

Our school community shares the same vision at Cana. We all want what is best for all children, spiritually, academically, socially and emotionally. Please become familiar with the 'Parent Code of Conduct' below. Let us remember that we work in partnership for the good of all our children.

CANA CATHOLIC PRIMARY SCHOOL

A.B.N. 72 007 642 368

46 Banchory Avenue, Hillside Victoria 3037

Telephone (03) 8390 9200

Rationale

This Cana Catholic Primary School Parent Code of Conduct outlines the way in which our community requires all parents/carers and family members to conduct themselves when visiting our school, and communicating with students, staff and other parents in our school.

The Cana Catholic PS Parent Code of Conduct applies to all adults including parents, guardians, carers, step-parents, grandparents, extended family while involved in activities or communication related to Cana Catholic Primary School.

The School Policy & Advisory Guide, '**Visitors in Schools**' requires all visitors to the school during school hours to sign a visitors' register located at the school office, so that their presence in the school is recorded for Child Safety reasons and in the event of an emergency. (excluding Mass and Interschool Sports)

When at school and within the proximity of the school

Parents/Carers will:

- use courteous and acceptable language when communicating with their own children, other students, staff and other parents/carers and members of the school community. There will be zero tolerance to any verbal or physical violence towards others.
- value our diverse community and respect the rights and practices of individuals and their families.
- respect points of view that are different from their own.
- firstly, speak directly to the teacher with any concerns regarding incidents in the school. The teacher will then refer the parent to appropriate staff if necessary.
- be mindful of the teacher's time, when wanting to communicate with them. Make a time to meet that does not disrupt the class unless there is a genuine emergency.
- listen respectfully, in the same manner required of students and staff when attending school assembly or informal/formal meetings.
- provide appropriate parental supervision before the bell in the morning and in the afternoon (3.15pm onwards Monday, Wednesday, Thursday and Friday, 3.00pm on Tuesdays).
- remove their child from a situation that involves any form of violence and seek support from staff members.
- model positive behaviours in front of all students at all times, whether on school grounds or within the proximity of the school.
- comply with the school onsite parking expectations, with road safety rules and parking signs when dropping off or picking up their children to and from school.
- comply with the Cana Catholic PS Attendance Policy (refer to Cana's website).
- ensure that your child complies with the Cana's School Uniform Policy (refer to Cana website).
- respect all Cana's policies and procedures (refer to Cana's website).

- Respect the privacy of teachers.

Unacceptable Behaviour

Parents/Carers will not:

- discipline a child who is not theirs or speak to a child who is not theirs about that child's behaviour. This is the role of teaching staff. Being approached by an adult they do not know, can be distressing for children. Common sense would prevail if safety was an issue.
- use offensive language towards their own children, students, staff and other parents/carers and members of the school community when on school grounds or within the proximity of the school.
- interrupt or distract a teacher while classroom instruction or learning activities are underway.
- engage with staff, students or parents/carers in an aggressive manner regarding issues of a personal or school nature.
- engage in inappropriate physical contact with students, staff or other parents/carers.
- discriminate between or disrespect any member of our school community.
- disrupt the good order of the school by any means including: in person, via persons representing them or social media.
- Engage a teacher about school matters outside the school environment.

When making a complaint

Parents have the right to raise issues and concerns related to the education/welfare of their child or other school matters.

There are a number of ways you can raise any concerns you have about your child. You can:

- write a note or email your child's teacher outlining your concerns
- make an appointment to speak on the phone or in person with the class teacher or Wellbeing Coordinator; ensuring that you inform the school about the issue you wish to discuss
- consider speaking with the school's student wellbeing Coordinator/Leader if you feel that is appropriate
- arrange any meeting times or phone calls through the school office (this is more convenient for both you and your child's teacher and does not interrupt teachers during the time they need to be with their students)

Remember that the class teacher together with others who may be involved, should be given a reasonable amount of time to take the steps required to resolve or address your concerns.

Consequences of a Breach of Cana's Parent Code of Conduct

Any parent, member of school staff or student may notify the Principal of a possible breach of the Cana Parent Code of Conduct. The Principal will investigate the complaint and if satisfied that a breach has occurred will:

- A meeting may be terminated at any time if there is a breach of conduct
- provide a first and final warning that a breach of the Cana Code of Conduct has occurred and that a further breach will not be tolerated 
- issue a trespass warning to the parent if the behaviour was one of an aggressive manner. If the behaviour continues, may accelerate to a trespass notice prohibiting the parent from coming on school grounds for a designated period of time, determined by the Principal or their representative in line with DET guidelines

Regular review

This document will be reviewed every year in consultations with parent representatives, and following significant incidents if they occur. We will ensure that families have the opportunity to contribute. Where possible we do our best to work with local Aboriginal communities, culturally and/or linguistically diverse communities and people with a disability.

ARE THEY OLD ENOUGH?

Amongst the many advantages of the online world, there are many important things families need to consider when their child is online. Of late, I have been hearing that many of our students are online platforms that are designed for 13-year-old children or older. Further to this, our students are not using these platforms in an appropriate way. There has been reports of students having a 'pack mentality' and exhibiting threatening behaviour towards others while online. In exploring these with the students, they shared that they didn't understand what the other students meant by their comments.

Now we, as adults, all know what that feels like don't we? How many times do we reread a text to try and understand the tone, the intension and how best to respond? Children find reading tone and intention of written text, because of their developmental age, extremely difficult. These were my findings this week, amongst our students.

This has raised concerns!! Even though the school can highly recommend that students are on appropriate online platforms, it is the family's ultimate decision.

We understand how difficult navigating the online world is, particularly having conversations with our children about it. I have included a link to the eSafety Commissioner that covers the topics below. It is highly recommended that you visit the site and empower yourself as families to support your child while online.

<https://www.esafety.gov.au/parents/skills-advice/are-they-old-enough>

Topics Covered:

- [Should your preschooler be using online devices?](#)
- [Is your child old enough for a smartphone?](#)
- [When are they ready for social media accounts?](#)
- [Determine your child's readiness for social media](#)
- [Resources for parents](#)

Also attached to this week's newsletter is a parent tip sheet that provides information about strategies you may wish to implement at home, so that you children share in positive and safe experiences while online.

Kind Regards,

Michelle Cassar

Deputy Principal/Student Wellbeing & Religious Education Leader

Does your preschool child have access to connected devices?

81% of parents say their preschool child uses the internet.
37% think their child spends too much time online.¹

Being online at this age can offer your child opportunities to learn through exploration, play and social interaction. But there may also be some risks if your child uses connected devices without supervision or for extended periods of time.

This might include coming across harmful content, contact with strangers or missing out on physical activity.

Here are our tips for a safe and balanced online experience for your preschool child:

Set ground rules

Establish clear rules and be consistent

Be clear on things like when and where devices can be used and when they need to be switched off. A good time to switch off is during family dinner time and when your child is alone in a room.

Use a timer

Limit the amount of time your child spends online to ensure a good balance with physical activity. It can be easy to lose track of time, so setting a timer can help.

Resist any push back

Getting your child off a device can be hard and it can be tempting to give in to their demands. Sticking to the rules at this age will help instil good online habits for your child now and in the future.
