School Overview

Cana Catholic Primary School is located in the suburb of Hillside in the Outer North West of Melbourne. Cana is the third Catholic primary school in the Parish of Sacred Heart / Emmaus where a strong link between the Parish and school is valued and nurtured.

The suburb of Hillside continues to experience some growth and development of homes and infrastructure. Our community is made up of many young families. The ethnic background in the main is second generation European, with a few Asian families and an increasing number of families from Africa and the SubContinent. We also have families from Syria and Iraq.

The employment background of the parents generally falls within semi-professional, professional and self-employed areas. However, there are some families who access Centrelink benefits.

In 2019 the school was in its 16th year. We had 32 staff members. Cana had 224 families, enrolments were 323 students. The school had seven students requiring support as New Arrivals and three families holding refugee status. In 2019, a total of 47 students were listed on the Nationally Consistent Collection of Data (NCCD). Of these 47 students, 22 students were being funded for support.

The school has 14 classes comprising 2 at each level. Specialist areas taught were Prep to Six Languages (Mandarin), Visual Arts, Performing Arts, Library and Health/P.E. and STEM. Our students and the community enjoy the use of a purpose built art room, attractive administration building, staff/resource room along with a generous technology rich library/resource center.

The school is fortunate to have spacious playing areas for students inclusive of shaded playground equipment and two basketball courts. The students enjoy an extensive synthetic grass soccer/football oval and running tracks. The students also have an open attractive paved surface with painted games and reflective areas.

Our Community has the use of a multipurpose hall where the whole school gathers to celebrate the Eucharist each week. The hall also provides a large space to host an afterschool program to support working families and other whole school events/activities.

Cana school maintenance is coordinated by parish personnel, while cleaning of the school is outsourced .

Cana Catholic primary school is one of the primary feeder schools for Catholic Regional College Caroline Springs and North Keilor with the majority of our year 6 students attending CRC Caroline Springs.

Cana parents play a very real and active role in partnership with members of the wider parish, through their generous involvement in one of the many diverse ministries. The partnership forges a sense of belonging and ownership between families , the school and the parish.

Cana continues to be a primary Catholic school community that is focused , supportive and welcoming. We celebrate the achievements of all students and enjoy the uniqueness each of them brings to the school.

We are grateful for the teamwork of all staff and parents who work so closely to make Cana a safe,welcoming and engaging Catholic school to belong to .

Our school motto '***Do What Jesus Tells You***' remains our mission and our inspiration.

2019 was a Year to Reflect and Review

In 2019 staff, parents and students engaged in a process which focused on a 'School Improvement Review'. Overall this year we have seen a greater participation from students and parents in a number of these outlined events. The school received positive feedback from parents and students expressing their enjoyment from the variety of opportunities they have to engage with their children. We feel as a group that there has been a greater number of parents attending school events, such as book week parade, Mother's and Father's days.

This year, the School Community Sphere has focused on listening to feedback by implementing new activities to engage families within the Cana school community. An example of this was the Cana Family Trivia night, that was suggested in 2018. As a result, a large number of families participated in this event with other members in our school community.

Similarly, there were suggestions in 2018 for a whole school Christmas celebration. In 2019, the Cana school community were invited to come together and celebrate the end of year with a Christmas Production. Families of the Cana school community gathered on the Cana oval to share a meal with one another, while viewing the students and teachers of Cana singing and dancing to Christmas Carols, to end a great year of learning.

It is hoped that the Cana School Community Sphere can continue to listen to parent feedback, leading to increased levels of community engagement. A survey will be sent out to provide parents with an opportunity to share their ideas to strengthen the partnership between the school, parents and the parish.

PARENT SATISFACTION

Parents responded to the 2019 CEMSYS survey and below are some of the outcomes:

- 85% of parents believe that staff at Cana are approachable.
- 77% of parents feel welcome within the Cana school community.
- 92% of parents feel that there is adequate information provided about engagement opportunities at Cana.

Future Directions

Following our comprehensive review process the following priority areas were identified to inform future school improvement at Cana:

1. To develop a whole school pedagogical approach based on evidence to achieve growth for all.
2. To build a performance and development culture underpinned by collaboration, reflection and feedback.
3. To strengthen partnerships within the school and wider community to enhance student wellbeing and learning.
