## TERM 1 ISSUE 4 Friday 23rd February, 2024

It is starting to become a very busy time of the year again, next week we start our School Tours. We welcome all families who would like to enrol their child at Cana for 2025 to come and visit our school to look around and see our wonderful learning spaces which we have for the students. It brings me much joy showing people around our grounds and talking about the exciting learnings that we teach at Cana. Tour Dates can be found within our Newsletter Calendar.

This week the Grade 6 students had a aventuras week at camp they went to Lady Northcote, located in Bacchus Marsh. I'm sure they've all came back tired and with plenty of fun and exciting stories to tell.

## **Prayer for 2nd Week of Lent**

- Click on Resources (found in bottom right corner of screen)
- Select "Groups"
- Make sure your child's year level is selected and the previous year level is deselected.

## Parking Out the Front of Cana Primary School

The council has informed us that there will be new parking signs placed outside of Cana Primary School. In the upcoming weeks please be aware that the current signs will change. The parking in front of the school will be changed to a "Drop Off Zone". The council have identified the parking bays impacted by painting red lines on the pavement outlining this area. What this means is that you can only park your car for a maximum of 2 minutes while you quickly come into the school to pick-up your child or you can ask your child/ren to meet you at the front gate where a staff member will be supervising this area until 3:30pm.

Please be vigilant when parking your vehicle in this area as the council will be patrolling and issuing fines to those not adhering to these signs.

If you are unable to pick-up your child by 3:30pm they will need to be booked into After School Care, provided by "TheirCare" (instructions on how to enrol your child can be found within this newsletter).

Our school crossing supervisors play an important role in supporting the safety of our children. Help keep our young people and school crossing supervisors safe by:

- 🚶 slowing down and being prepared to stop safely before the crossing
- 🚶 obeying the school zone speed restrictions - 40 km/h speed zones are in place between 8am and 9.30am in the morning and 2.30pm and 4pm in the afternoon around schools.

Remember, when flags are displayed at a crossing, you must stop for all pedestrians who are waiting to cross or have started crossing. You must remain stopped until the crossing is clear.

## **Parents/Families,**

If there are any concerns please see your child's classroom teacher as the first point of contact, or you can contact the Principal on [principal@canahillside.catholic.edu.au](mailto:principal@canahillside.catholic.edu.au)

## How free online parenting support helps families in schools

In a complex, changing world with anxiety rising among school-age children, school leaders know firsthand the everyday challenges parents and carers face raising calm, resilient and happy children. They also know how this can significantly affect school environments.

Ideally, children would be able to make friends easily, resolve disputes without fights, follow directions, feel confident tackling challenges, listen well and plan for things like homework. But it can be hard for parents to know where to turn to get trusted, evidence-based support.

Now, parents and carers can get proven support with free access to online parenting courses developed in Australia by the Triple P – Positive Parenting Program®, thanks to funding from the Australian Government Department of Health and Aged Care.

In addition to strengthening the bonds between home and school, the programs can reinforce your school's commitment to creating a caring environment for students to learn, grow and thrive.

### What does this mean for children and families at your school?

Triple P's free online programs help parents and carers to:

- Feel more confident in their parenting skills
- Tackle problems before they grow
- Promote children's resilience, self-regulation, problem-solving and social skills
- Encourage children to express and cope with emotions in healthy ways
- Build strong relationships with their children

Families can easily choose a program course that's right for them, whether it's navigating common challenges during childhood, helping children who often feel anxious or preparing for pre-teen and teen years. Plus, an upcoming program will provide positive parenting strategies for those going through separation or divorce.

### How do the programs help schools?

As anxiety and difficult behaviours become more prevalent in school-age children, Triple P can contribute to the solution. It empowers parents and carers with helpful strategies and can also be used in educational settings to:

- Reduce teacher stress
- Increase prosocial behaviour
- Improve numeracy and literacy levels in primary years
- Improve attendance in secondary schools
- Give teachers more confidence responding to difficult student behaviour

Triple P online programs are easy to use and flexible for any family, backed by over four decades of ongoing research and over 125,000 families in Australia have already joined.

We encourage you to share information about Triple P's free online programs with other school leaders, parents, carers, teachers and guidance counsellors.

Recommending the programs can have a positive ripple effect on your school community.

For more information about how Triple P can continue to support families in schools, please get in touch with us at [contact@triplep.net](mailto:contact@triplep.net)

All free online programs can be accessed at [www.triplep-parenting.net.au](http://www.triplep-parenting.net.au)
