TERM 4 ISSUE 4 Thursday 31st October, 2024

I had another amazing week meeting the remainder of our Prep families for 2025. During our catch-up we spoke about school routines and practices and it gave the families an opportunity to ask any questions.

Today it was great to see all the students wearing their crazy and bright coloured socks. All money raised from this day will be donated to make a difference for the children in need through Catholic Missions.

Don't forget, this weekend is Melbourne Cup. The students don't return to school until Wednesday 6th November.

Mrs. Blatti is on leave and will return on Monday 25th November.

Dear God,

As we start this weekend, we want to thank You for giving us this time to rest and enjoy life. We ask that You bless our days ahead, helping us to find both peace and joy in everything we do.

Lord, guide us in how we spend our time. Whether we are relaxing or working on tasks, help us to feel Your presence with us. Give us the strength to be productive and the wisdom to know when to take a break.

Amen

Driving into and around the school grounds

You may have heard about the tragic accident that happened at Auburn South Primary School in Hawthorn East this week.

We continue to witness and have reports from parents at the school that people are driving fast through the school car park and performing U-turns to exit out of the entrance gate. Drivers are also driving recklessly around and in front of the school and performing U-turns on the street.

This irresponsible driving will not be tolerated, we will be reviewing the camera footage during drop off and pick-up times and caregivers will be spoken to if this behaviour is found. For the safety of the children and our school community you must always drive safely and slowly around the school. Exit should only be through the back gate and not the entrance gate. No U-turns should be performed around the school, roundabouts MUST be used to turn in the opposite direction.

First Aid Slips

A reminder - Hand written First Aid slips will no longer be sent home with your children, all notifications will now be emailed. You **MUST** be registered with our new nForma portal to receive these emails.

Farewell to Mrs. Blatti

We are taking collections for Mrs. Carmen Blatti retirement gift. Envelops went home last week, if you would like to make a donation a collection box will be available in the office until Friday 22nd November 2024.

Thank You.

2024 Cana Rubik's Cube Competition

At assembly on Monday 28th October, we had the finale of what was a fantastic 2024 rubik's cube competition. All students across the school were initially invited to try and complete a rubik's cube in under 2 minutes. 13 students were able to complete this phase of the challenge, before moving on to the competition stage. Here the students competed in a tournament style format, to narrow it down to our final 5 students. These 5 students then competed at assembly for the title of Cana's 2024 Rubik's cube champion. Congratulations to Adriel Raquel, for going back to back after also winning last year's inaugural competition.

1st place- Adriel Raquel 13.57 seconds

2nd place- Thomas Kalinic 23.1 seconds

3rd place- Christian DeBono 34.58 seconds

4th place- Dane Varun 40.22 seconds

5th place- Ethan Rupa 54.6 seconds

Works notification

Works in the area this November

We're making the Sunbury Line level crossing free in 2025, a year ahead of schedule, removing eight dangerous and congested level crossings to improve safety, reduce congestion and run more trains, more often.

What we're doing

Over the coming month we'll begin to construct the new road bridge deck and continue works on the new shared use path.

During this time, we'll:

- Continue to construct the foundations for the new road bridge and shared use path, including piling.
- Relocate and install essential services, including drainage and public lighting.
- Begin asphaltting in sections along the new Calder Park Drive road bridge.
- Install concrete road barriers and guardrail along the new road alignment.
- Landscaping along the new road bridge embankments.

To get the job done, there will be road and pedestrian disruptions in your area.

Impact	Works and disruptions
Road	<ul style="list-style-type: none">• In November, reduced speed limits, intermittent lane closures and traffic management will be in place. Increased travel times are expected.• During this time, we'll deliver and install large bridge beams and begin constructing the new road bridge deck.
Pedestrian	<ul style="list-style-type: none">• To safely relocate existing services including public lighting, there will be a pedestrian detour on the corner of Calder Park Drive and Manchester Drive at times until late 2025.• Please see overleaf of the pedestrian detour map.
24 hour works	<ul style="list-style-type: none">• To reduce impacts, we'll be working around the clock to deliver seven bridge beams from 9pm Monday 25 November to 7am Tuesday 26 November.• We anticipate impacts to be low, however you may experience increased light and noise impacts at times.

What to expect
